JUNGFRAUJOCH HELICOPTER

They attract us like a magnet, the magical three mountains: Eiger, Mönch und Jungfrau. This impressive helicopter tour takes you through the Grindelwald valley over the Männlichen ski area to the Eigernordwand. Follow the Mittellegigrat along the Eiger south side to the breathtaking Jungfraujoch ("Top of Europe"). Via Silberhorn and Wengen you will fly back to the Heliport Gsteigwiler.

The route can be discussed on the spot with the pilot. This depends on the weather and of course aviation safety, otherwise the pilot attempts to fulfill your wishes in compliance with the flight time.

Bookable 365 days a year!

Attention: This sightseeing flight is without landing on the Jungfraujoch

Glacier landing only on a private flight, on request CHF 250 (€ 230). Other flight route!

Weather: In case of bad weather you will get your money back.

Shuttle: Optional from Hotel to the Heliport on request
