A 90 minutes experience, with an amazing 25 minutes flight over Paris, Parc des Princes, Bois de Boulogne, the Longchamp hippodrome, the Saint-Cloud park, on top of Château de Versailles and the Roi Soleil's gardens.

Behind the Château de Versailles, the helicopter will land at Saint-Cyr l'Ecole. Your pilot will give you a brief theoretical introduction to the helicopter skills.

Share a warm and privileged moment with your captain and seize this opportunity to talk about the fascinating helicopter universe and take some pictures in front of the helicopter.

But save your batteries and open wide your eyes.

The way back to Paris over the Seine is amazing with a breath-taking view on Trocadero, Tour Montparnasse and of course a stunning view on the famous Eiffel Tower...
